

REMOVE TOUGH STAINS

COMPLETE

The Power of 3: Potent. Fast. Easy.

COMPLETE by Lo-Chlor® is a total stain treatment system that handles all three phases of stain removal like a pro! Pull stains from the pool surface into water with Multi-Stain Remover. Control and remove stain-causing metals from water with Metal Gone. Finish with Miraclear® Gel Tab to remove even the smallest impurities, leaving pool water sparkling and clear.

- **Triple-strength concentrate**
- **Lift stains with Multi-Stain Remover**
- **Works on metal and organic stains**
- **Use on cement, fiberglass & vinyl liner pools**
- **Keep metals away with Metal Gone**
- **Clarify water to a sparkle with Miraclear® Gel Tab**
- **Compatible with all pool chemicals and most pool finishes**

Unsightly stains can ruin the beauty of your pool. Now you can remove most common stains like iron, copper and manganese without the expense of an unnecessary renovation. Lo-Chlor® has taken its three powerful and popular products for stain removal and combined them into one money-saving package.
